**Albertalli, B. Simon vs. the Homo Sapiens Agenda**

When an email to his secret crush falls into the wrong hands, Simon finds himself blackmailed, forced to play wingman to class clown Martin, or his sexual identity will be broadcast to the whole school.

**Bardugo, L. Shadow & Bone**

Orphaned by the Border Wars, Alina Starkov is taken from obscurity and her only friend, Mal, to become the protégé of the mysterious Darkling, who trains her to join the magical elite in the belief that she is the Sun Summoner, who can destroy the monsters of the Fold.

**Silvera, A. They Both Die at The End**

In a near-future New York City where a service alerts people on the day they will die, teenagers Mateo Torrez and Rufus Emeterio meet using the Last Friend app and are faced with the challenge of living a lifetime on their End Day.

**Clare, C. City of Bones**

Suddenly able to see demons and the Darkhunters who are dedicated to returning them to their own dimension, fifteen-year-old Clary Fray is drawn into this bizarre world when her mother disappears and Clary herself is almost killed by a monster.

**Collins, S. The Hunger Games**

In a future North America, where the rulers of Panem maintain control through an annual televised survival competition pitting young people from each of the twelve districts against one another, sixteen-year-old Katniss's skills are put to the test when she voluntarily takes her younger sister's place.

**Yoon, N. The Sun is Also a Star**

Natasha is a girl who believes in science and facts. Daniel has always been a good son and good student. But when he sees Natasha he forgets all that and believes there is something extraordinary in store for both of them.

**Niven, J. All The Bright Places**

When Theodore Finch and Violet Markey meet on the ledge of the bell tower at school--both teetering on the edge--it's the beginning of an unlikely relationship, a journey to discover the "natural wonders" of the state of Indiana, and two teens' desperate desire to heal and save one another.

**Green, J. The Fault in Our Stars**

Despite the tumor-shrinking medical miracle that has bought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a

gorgeous plot twist named Augustus Waters suddenly appears at Cancer Kid Support Group, Hazel's story is about to be completely rewritten.

**Han, J.      To All the Boys I've  
                                         Loved Before**

Lara Jean never tells her crushes she likes them – instead, she writes them letters and hides them in a box under her bed. Until she finds that all her letters have been sent, and now all her crushes are about to confront her about it...

**Lippincott, R.      Five Feet Apart**  
Seventeen-year-olds Stella and Will, both suffering from cystic fibrosis, realize the only way to stay alive is to stay apart, but their love for each other is slowly pushing the boundaries of physical and emotional safety.

**McManus, K.      One of Us Is  
                                         Lying**

When the creator of a high school gossip app mysteriously dies in front of four high-profile students all four become suspects. It's up to them to solve the case.

**Perkins, S. There's Someone  
                                         Inside Your House**

It's been almost a year since Makani Young came to live with her grandmother in landlocked Nebraska, and she's still adjusting to her new

life. And still haunted by her past in Hawaii. Then the students of her small town high school begin to die in a series of gruesome murders, each with increasing and grotesque flair. As the terror grows closer and the hunt intensifies for the killer, Makani will be forced to confront her own dark secrets.

**Oseman, A.      Heartstopper**

At the start of January, Nick and Charlie are placed in the same form group and made to sit together. They quickly become friends, and soon Charlie is falling hard for Nick, even though he doesn't think he has a chance. But love works in surprising ways, and sometimes good things are waiting just around the corner...

**Murphy, J.      Dumplin'**

Sixteen-year-old Willowdean wants to prove to everyone in her small Texas town that she is more than just a big girl, so, while grappling with her feelings for a co-worker who is clearly attracted to her, Will and some other misfits prepare to compete in the beauty pageant her mother runs.

**Roth, V.      Divergent**

In a future Chicago, sixteen-year-old Beatrice Prior must choose among five predetermined factions to define her identity for the rest of her life, a decision made more difficult when she discovers that she is an anomaly who

does not fit into any one group, and that the society she lives in is not perfect after all.

**Smith, J.      Hello, Goodbye, and  
                                         Everything in Between**

High school sweethearts Clare and Aidan spend the night before they leave for college reminiscing about their relationship and deciding whether they should stay together or break up.

**Thomas, A.      The Hate U Give**

Starr lives in two worlds – her fancy suburban school and her less-fancy neighborhood. When her childhood friend is killed by a police officer, her worlds suddenly collide when his name becomes a headline and a hashtag, and Starr is the only witness.

**Yancey, R.      The 5<sup>th</sup> Wave**

Separated from her family, Cassie tries to survive the alien invasion of her world in the company of a mysterious young man and reunite with the only family she has left, her younger brother.

**Yoon, N.      Everything, Everything**

Madeline has never been outside. She's allergic to everything and her mom keeps their house perfect for her. She's content enough – until a new boy moves in next door. She doesn't tell him she's sick and she's starting to fall in love. It's going to be a disaster.
