The Electric Kingdom

Arnold, D.

When a deadly Fly Flu sweeps the globe, it leaves a shell of the world that once was. The few survivors navigate the woods of post-apocalyptic New England, meeting others along the way, each on their own quest to find life and love in a world gone dark

Not if I Save You First

Carter, A.

Maddie used to live in Washington D.C. with her father, a Secret Service agent, and her best friend was the president's son. Six years later, he shows up on her doorstep without a word. Now, she realizes she has to save him from the winter wilderness of Alaska and the men hunting him down.

Verify

Charbonneau, J.

Chicago teen Meri Beckley's pride of living in a land of peace, prosperity, and truth crumbles when questions following her mother's death reveals buried facts.

Ready Player One

Cline, E.

In the year 2044, reality is an ugly place. The only time teenage Wade Watts really feels alive is when he's jacked into the virtual utopia known as the Oasis.

The Hunger Games

Collins, S.

Sixteen-year-old Katniss Everdeen regards it as a death sentence when she steps forward to take her sister's place in the Hunger Games. But if she is to win, she will have to start making choices that weigh survival against humanity and life against love.

The Maze Runner

Dashner, J.

Sixteen-year-old Thomas wakes up with no memory in the middle of a maze and realizes he must work with the community in which he finds himself if he is to escape.

The Living

De la Pena, M.

After an earthquake destroys California and a tsunami wrecks the luxury cruise ship where he is a summer employee, high schooler Shy confronts another deadly surprise.

Lord of the Flies

Golding, W.

A group of boys are stranded on an uninhabited island when their plane crashes. Without adult control, the boys regress to savagery.

The Wild Lands

Greci, P.

After the government collapses and fires burn the wilderness, Travis and his younger sister, Jess, must travel hundreds of miles searching for some type of civilization.

Unnatural Disasters

Hirsch, J.

When everyone's phones start to ring halfway through the dance, Lucy knows something terrible has happened. Decades of climate change have left the world teetering on the brink. Is this the night it slips over the edge?

Where the World Ends

McCaughrean, G.

In the summer of 1727, Quill and his friends are put ashore on a remote sea stack to harvest birds for food, and only the end of the world can explain why no boat returns to collect them.

Bloom

Oppel, K.

These new plants take over crop fields, twine up houses, and burrow below streets. They bloom--and release toxic pollen. Three kids on a remote island seem immune to the toxic plants – what's their secret? Can they somehow be the key to beating back this invasion?

Crazy Horse

Patterson, J.

In a future world where teenagers are taken, imprisoned, and forced to fight for their survival, well-behaved Cassie will do whatever it takes to save her rebellious twin sister from Death Row

When Morning Comes

Raina, A.

It's 1976 in South Africa, and four young people are living in Johannesburg and its black township, Soweto. From each of their points of view, this book explores the roots of the Soweto Uprising and the edifice of apartheid in a South Africa about to explode.

Lost in the River of Grass

Rorby, G.

When two Florida teenagers become stranded on a tiny island in the Everglades, they attempt to walk ten miles through swampland to reach civilization.

Dry

Shusterman, N.

A lengthy California drought escalates to catastrophic proportions, turning Alyssa's quiet suburban street into a warzone, and she is forced to make impossible choices if she and her brother are to survive.

Flight Plan

Walters, E.

Jamie's flight is just taking off when all technology fails, plunging the world into chaos. After the pilot manages to land the plane safely, Jamie sets out on the perilous 1,200-mile journey home with the flight crew and a small group of determined passengers

Partials

Wells, D.

In a post-apocalyptic eastern seaboard ravaged by disease and war with a manmade race of people called Partials, the chance at a future rests in the hands of Kira Walker, a sixteen-year-old medic in training

Hell Followed With Us

White, A.

Benji is on the run from the cult that raised him--the fundamentalist sect that unleashed Armageddon and decimated the world's population. Desperately, he searches for a place where the cult can't get their hands on him, or more importantly, on the bioweapon they infected him with.

The 5th Wave

Yancey, R.

After the 1st wave, only darkness remains. After the 2nd, only the lucky escape. And after the 3rd, only the unlucky survive. After the 4th wave, just one rule applies: trust no one. Now it's the dawn of the 5th wave
