

Setting Up OverDrive on the Kindle

Please note that these instructions are for the standard Kindle models, and not the OverDrive app available for the Kindle Fire. For instructions on the OverDrive app, please see the instructions for Android devices.

Creating an OverDrive Account:

1. On your computer, go to <https://livebrary.overdrive.com/>
2. Click “Sign In”

3. Select Center Moriches Free Public Library from the drop-down list, and sign in. There are three ways to sign in:
 - a. **Library card:** Enter your library barcode (found on the back of your library card) or Live-brary username, and your Live-brary password. This barcode/username and password are the same as you use in our online catalog to reserve physical copies of books, movies, etc.
 - b. **Email address:** You can also sign into OverDrive using an email address and your password. You will need to put your library card information in later. Using your email address to sign in is beneficial, in case you ever get a new library card number.
 - c. **Facebook account:** Log in with the same email address and password you use for Facebook. This will, however, link your OverDrive and Facebook accounts. You will need to put your library card information in later.
