SEPTEMBER-OCTOBER 2012

~ WATCH US GROW! ~

OUR CONSTRUCTION PROJECT is coming to a close. As anticipated, completion is scheduled for this October. Throughout the period of construction we have worked to have minimal closings so as not to impact too much upon our community's use of their library resources. We so far have had two one-week closings (in February and March), which were necessary to install our library's new fire-safety sprinkler system.

There will be two more one-week closings, necessary for the installation of carpeting and also for when we break down the walls that separate our new additions from the main library. We thank you for your patience during this period, and trust that you will enjoy your new, expanded library facilities upon completion in October.

CONSTRUCTION CLOSINGS

August 20th - August 25th.
October 7th - October 13th.

There will be no overdue fines collected on materials due August 20th through September 1st, and also October 7th through October 20th.

Library materials charged out prior to the dates closed will have extended due dates, so that no library materials will be due during the times when the library is closed for construction.

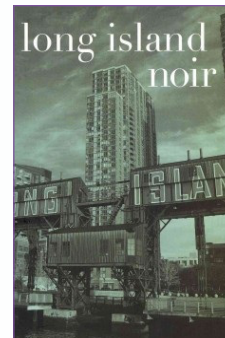

LIBRARY CARD SIGN-UP MONTH

September is National Library Card Sign-up Month! Children who show their own Center Moriches library card in the Children's Department can fill out a raffle ticket for a great prize. Remember, a library card is the most important school supply of all!
