LIBRARY JOURNAL LIBRARY

CENTER MORICHES FREE PUBLIC LIBRARY RECEIVES 5 STAR RATING BY LIBRARY JOURNAL FOR 3RD CONSECUTIVE YEAR!

The Center Moriches Library is among 13 libraries in Suffolk County to have received American Star designations from Library Journal, the oldest and most respected publication in the field. This year 258 libraries received the honor nationally. Library Journal star ratings are based on each library's number of annual patron visits, circulation, public access computer use, and program attendance. Star Library ratings of five, four, and three stars are awarded to libraries that generate the highest combined per capita outputs among their spending peers. This data is reported each year by public libraries to their state library agencies and is compiled on a national level by the Institute of Museum and Library Services.

Thanks Again, Senator LaValle!

The Center Moriches Library has recently received a \$3,000 check that was part of a New York State grant procured through the work of New York State Senator Kenneth P. LaValle. Senator LaValle says: "As always, it is a pleasure to support you in your efforts to provide such wonderful programs and opportunities for your patrons and your community."
