Book Donations

The Friends of the Library are responsible for collecting and selling donated items on the thrift shelves and at the library for sale at our annual book sale. The large wooden bin near the thrift shelves is provided for your donations.

FOL accepts gently used, sellable materials in all subjects: fiction, non-fiction, audio books on CD, music on CD, and movies on DVD, all children's books, books in all foreign languages, textbooks that are current and relevant, and CD and DVD products. CDs and DVDs must be in the original package.

Please do not donate video tapes, audio cassettes, bootleg or damaged discs. Items should be free of odor, mold, dust, dirt or water-damage and should not be yellowed, frayed, torn, marked or chewed. Magazines, encyclopedias or sets of old publication collections such as National Geographic will not be accepted.

The Lauer Fund

For many years, mother and daughter **Claire A. Lauer** and **Jean C. Lauer** would make an annual donation to the Library for the purchase of audio books. When Claire A. Lauer passed away, her daughter Jean continued making these annual donations in memory of her mother.

Ten years ago, Jean C. Lauer sadly passed away, as well. It was then that we received a letter from her estate attorney, notifying us of the generous endowment which Ms. Lauer had made to the Library, with the request that we continue to purchase audio books for the Library.

We are deeply indebted to Jean C. Lauer and Claire A. Lauer for their enduring legacy. A decade has passed, and still the Lauer Fund continues to provide the funds for our audio book purchases. With this latest purchase through the Lauer Fund, we are pleased to announce that we will be adding the following new audio books to the Library's collection.

- *Alaskan Holiday* • *Animal Farm* • *Anna Karenina* • *The Art of War* • *As You Wish*
- *Bachelor Girl* • *The Bell Jar* • *Brave New World* • *The Bridges of Madison County*

A special "thank you!" goes out to Joe Price of Joseph P. Price Agency, Inc.

for his most generous gift to the Library. His donation has made it possible for our Library to purchase Fender Seaside Soprano Ukuleles as part of our "Library of Things" special collection. These ukuleles will be used in music appreciation programming for children. Studies have shown how music has a positive effect on children in their development, providing the skills necessary for school readiness. Learning music facilitates learning in other subjects as well—enhancing a child's intellectual, social and emotional growth, motor skills, language skills, and overall literacy. Thank you, Joe Price!
