Dr. William A. Savino, Jr.

Dr. William A. Savino, Jr., passed away on July 30, 2019. To most people in Center Moriches, he was well-known and respected as the dentist on Main Street for over 50 years. He was still working there, along with his daughter Judith – who followed him into the profession – up until his death. He was also a proud U.S. Army veteran, having served his country in Vietnam.

Patrons of the library know that he was also a long-term member of the Library Board of Trustees, serving from 1974 until 1996. He served on our Library Board as President, Vice President and was for many years the Secretary of the Board. One of the major projects that he helped to oversee was the move from the original library building (now the school administration office) into the current building. As a result, his name is prominent on the memorial plaque in the Library lobby.

The current Library Board and the staff of the Library offer their condolences to his family, and their gratitude for his years of service to the community of Center Moriches.

Maureen R. Donnelly

Long-term Library volunteer Maureen R. Donnelly has recently passed away. Her late husband, C. Gerard Donnelly, was the first Director of Center Moriches Library (1964-1990), and she could often be found in both the old Library building and the new.

After her husband passed away, she continued to work as a dedicated volunteer. She was a founding member of the Friends of the Library, and authored several publications on local themes, including the very popular "Hurricane of 1938". She compiled an index to the local newspaper, The Tide.

An avid reader, she also provided book reviews for the Library Newsletter for many years. She was a passionate poet, and a member of both the Poetry Club and the Writers' Club at the Library, along with the Gardening Club.

The Library Board and the staff of the Library wish to celebrate her years of service, and to offer their condolences to her son and daughter.
