In this six week workshop, you'll work with a variety of subjects to improve your command of composition, still life, landscapes, people and animals. Class time will be followed by visits to local parks, or other local venues. There will be a weekly homework assignment and photos will be shared at the following class and critiqued within the group setting.

REMEMBERING DIONNE LEVINE

LIBRARY BOARD MEMBER & EDUCATOR

A long-time resident of both East Moriches and Center Moriches, "Dee" (as she was known to her friends) lived in the area for more than 50 years. Education was the focus of her life. Along with three other women, she started the PTA in the East Moriches Schools. Ms. Levine not only taught in the Center Moriches Schools but also served on the Center Moriches Library's Board of Trustees for twenty-seven years. And being an Alumna of Alfred University, she was an alumni-elected Trustee from 1999-2002 and was awarded the Lillian Nevins Award, the highest honor bestowed by the Alfred University Alumni Association, in 2004.

Dionne Levine contributed much to our community. Her generosity has been well appreciated by her neighbors and she will be long remembered for years to come. We will all greatly miss her.

Please read the oral history entitled "An Interview with Dionne Levine", which can be found at the Center Moriches School Local History Project at the web address below. There you will learn more about Dee's life as well as some interesting detail about our community.
