Resources for Veterans during COVID-19

Many services and companies are working to provide services to veterans, active military members and their families during this crisis. Below are a few of these services.

Tutor.com is offering on-demand live online tutoring and homework help at no charge to eligible service members and their families.

The Wounded Warrior Project has set up a fund to help meet the financial needs of eligible members who are experiencing financial difficulties during this crisis. *PLEASE NOTE applicants must have registered with WWP before April 8, 2020 and funds will not be awarded once they have run out.* Please visit https://www.woundedwarriorproject.org/covid-relief for more information about eligibility.

The VA has been granted funds to assist veterans during this crisis. Below are some resources they are providing to veterans and military families.

If you are transitioning from active service to civilian life during this time, the VA has a series of videos and FAQ to assist you. Please visit https://www.benefits.va.gov/TRANSITION/transition.usa for more information.

If you are financing your education through the GI Bill, these payments have not been affected by COVID-19. Please visit https://www.benefits.va.gov/GIBILL/COVID-19EducationBenefits.asp for more information about the transition from in-person learning to online learning, housing credits, and other education related questions.

The VA is suspending all collection on Veteran debts under the jurisdiction of the Treasury Department. They will also stop referring delinquent debt to credit reporting agencies and will not prevent any veteran in delinquent status from seeking VA Home Loans. Collection actions will resume once the national state of emergency is lifted.

The VA is also suspending collection action on all new benefit debts and is offering temporary suspension or extended repayment plans for existing benefit debts (veterans’ preference). Please call the Debt Management Center at 1-800-827-0648 to request suspension or extension of your repayment plans.

Beginning March 1, 2020 and ending 60 days after the national state of emergency is lifted, if a claimant or authorized representative requests an extension of a time limit associated with a required action or notes their inability to attend a virtual hearing or tele-C&P examination based on the COVID-19 pandemic, Veterans Benefits Administration (VBA) will grant these requests.

Please visit https://www.blogs.va.gov/Vantage/73202/va-expands-virtual-services-support-veterans-due-covid-19-pandemic/ for information about the VA tele-services for veterans. While some virtual services may have been discontinued due to stay-at-home orders for staff, others have been expanded to better serve veterans and their families.

The VA has a crisis line available for any veteran or family member during this time. Call 800-273-8255 and press 1 (TTY: 800-799-4889), text 838255 or chat confidentially online at https://www.veteranscrisisline.net/get-help/chat.

Please visit the VA’s Frequently Asked Questions for more information on their response to COVID-19, and information about accessing their health services during this time. https://www.va.gov/coronavirus-va-often-frequently-asked-questions/

Congratulations Class of 2020

A special thank you to Hulse’s Garden and Wading River Nursery for their generous donation of perennials that were planted in the side garden by the fence and the flowers in the planters. Thank you to our Friends of the Library that volunteer their time planting and maintaining these planters and gardens!
