If you have not filled out your questionnaire and require assistance, Census Response Representatives as well as one of our librarians will be available to assist on the SLED (Suffolk Libraries Empowering Discovery) bus. You can also respond to the census online, by mail or phone.

Beginning in October, a Social Work Intern is available at the library to assist you with emergency services such as food, clothing, and shelter; health; family matters; social security; social services; and many other topics that individuals may need assistance in navigating. Please note that appointments are not for therapy but referral services and assistance. Childrens' Programs

Children's Registration Guide

Children are required to have their own valid Center Moriches library card to register for programs. * If your child does not have a library card, please take a moment and apply for one on our website, www.centermoricheslibrary.org, under the "How Do I" tab. During these unprecedented times, all our programs can be registered for online. Online registration begins at 9:30am. In fairness to all patrons, please do not ask to register early or over the

phone. To register online, go to www.centermoricheslibrary.org and find the link for **Events Calendar**. When the calendar loads, click on the desired program and enter your child's library card number and password. If this is your first time registering online, you will need to create a password and verify it twice. Continue to register for the program by following the prompts. *Please speak to a Children's Librarian if you have any questions.

Unattended Child Policy

Library Policy States "Parents or guardians are prohibited from leaving children under the age of ten." The staff of Center Moriches Free Public Library wants your child's library experience to be happy and positive. Please remain in the Library. Please supervise your children while online.

Little Free Library

We hope you have had an opportunity to visit FOL's Little Free Library at Kaler's Pond. It has been well received and well utilized. The books are free for the taking and it's not necessary to provide a replacement book. However, we'd like as many readers as possible to avail themselves of this service and ask that readers only take one or two books at a time. We hope you enjoy this gift!

**The Friends of the Library meet on the 2nd Wednesday of each month
but are postponed until further notice.**
