PUBLIC LIBRARIES of Suffolk County, NY

The Healthy Libraries Program (HeLP) consists of students who are currently training in the fields of social work, public health, library science, and nursing, who are available at the library to provide blood pressure screenings, and to answer questions and provide reliable, evidence based information on a wide variety of health topics such as heart disease, diabetes, understanding medications and much more. Students are also available to direct patrons to community resources, help fill out paperwork for social services, find housing, and assist with finding a healthcare provider and scheduling appointments.

Stony Brook Medicine's Healthy Libraries Program (HeLP) is a partnership with the Public Libraries of Suffolk County, the Suffolk Cooperative Library System Outreach Services Department, and is supported in part by the American Heart Association of Long Island. The program is an interdisciplinary team of public health, nursing, and social work students whose aim is to provide evidence-based health information, screening, and case management to a diverse community of patrons in the public library setting. Students will refer patrons to promote access to appropriate local health and social services programs to address patrons' health and social support needs.

The HeLP program will be at our library on September 7th, September 21st, October 5th, October 26th from 2-4:30. No appointment is necessary and all are welcome.

Check out the newsletter for programs specially planned for you, registration is required! This year we are proudly sponsoring Pumpkin Decorating for all ages as well as the Haunted Witches Tea for Adults.

Volunteers Needed!

The FOL Action Committee is full of new ideas while enhancing our tried and true programs. We really could use some extra hands with many of our programs. In particular, Donated Books: If you are familiar with the processing and selling used books online through Amazon, eBay, or an online buying site. Bus Trips: We need people to assist in organizing our bus trips. Most trips are one day, some are overnight excursions. Fund-raising: Have some good fundraising ideas and skills? Funds are needed for the many items we provide to the library and in support of our Scholarship Program. For more information contact the Friends of the Library at fol@centermoricheslibrary.org
