Literacy Suffolk

Become a Literacy Tutor and Help Improve a Life!

Literacy tutors are incredible people with a desire to help students improve their life skills and strengthen their families and communities through literacy. While some tutors are former teachers, that is not necessary to be a successful tutor. What matters is having the empathy and patience to work one-on-one with an adult learner determined to be a better reader, writer, or speaker of the English language. If you are looking to make a difference, please contact Literacy Suffolk at www.literacysuffolk.org or call them at 631-286-1649.
