

Who We Are

Quality library service is important to our community. The **Friends of the Center Moriches Free Public Library Inc.** is a non-profit, charitable group of civic-minded neighbors formed to support the Center Moriches Library.

Throughout its many years, FOL has supported and promoted the library and its programs by fostering community support, informing the public of the library's services, and by raising money to purchase items for the library.

FOL has provided many needed items for the library and conducted numerous library and community programs. Some are listed on the inside page.

For more information, please contact the Friends via phone, email or drop us a line in the FOL mailbox next to the thrift shelves at the library.

*Your support helps
our library grow!!*

WANT TO DO MORE?

Membership is a donation and you are not obligated to attend meetings or volunteer your time.

However, if you would like to have an active role in the Friends, please attend our monthly meetings and become an **FOL Action Committee Member**. This requires paid membership and attending at least three monthly meetings. Action Committee members are eligible to vote on all FOL actions.

Volunteers are Action Committee members. Once you are deemed an AC member, you can volunteer for any FOL program or event.

We are always looking for AC members and volunteers. Meetings are held at the library on the second Wednesday of every month. We hope you will join us!
